PHILIPS Limited Warranty:

Any Philips Vision LED bulb that fails as a result of a product defect in non-commercial application during the 12-year period after purchase is covered by the Philips Limited Warranty.

Register your product by mailing or e-mailing in this form within 30 days of purchase to benefit from our 12-year limited warranty. Jurisdictions in which warranty benefits cannot be conditioned on registration will automatically receive the 12-year limited warranty. Your statutory rights to non-defective goods remain unaffected.

Vision LED Warranty Terms & Conditions:

12 YEAR LIMITED WARRANTY

Philips Automotive Asia Pacific warrants each new Philips Vision LED bulb against defects in materials for a period of twelve years from the date of purchase, and agrees to replace any defective product without charge for the same or an equivalent of the defect Vision LED bulb.

IMPORTANT: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product or subjecting the product to any but the specified voltage.

To exercise your rights under this warranty, you must provide proof of purchase in the form of a sales receipt or your submitted warranty form that shows the product name or part number and the date of purchase. It is suggested that for your protection you return shipments of product by insured mail, insurance prepaid.

The warranty does not cover the installation cost.
